

Directions

As a class, list things that the students learned or did last year (since the beginning of the school year). Then make a list of things that they want to learn or do during the new year.

Give each student a copy of page 1 or 2.

Have students write on the bone "In 2016 (or current year) I will...". Students write something they want to learn or accomplish in the new year.

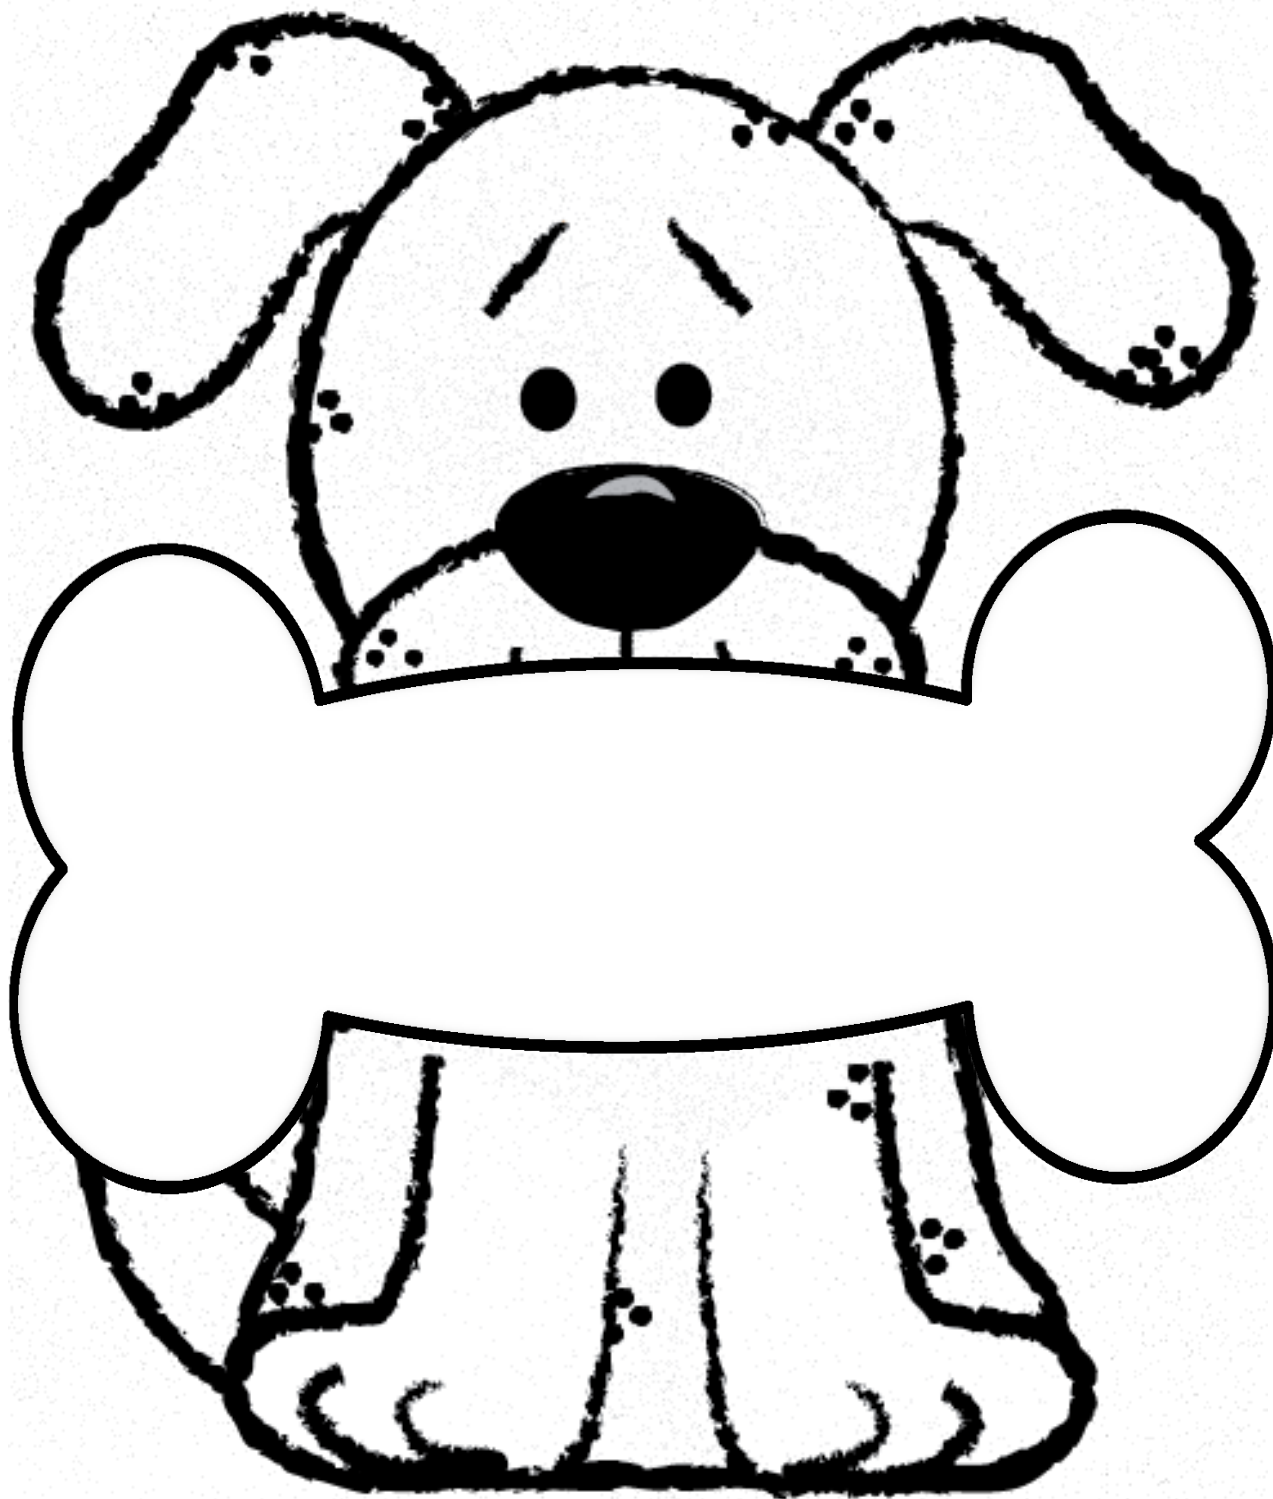

Have students cut out a triangle from construction paper or patterned paper for a new year hat. Have them decorate the hat, color the dog, and glue the hat on the dog's head.

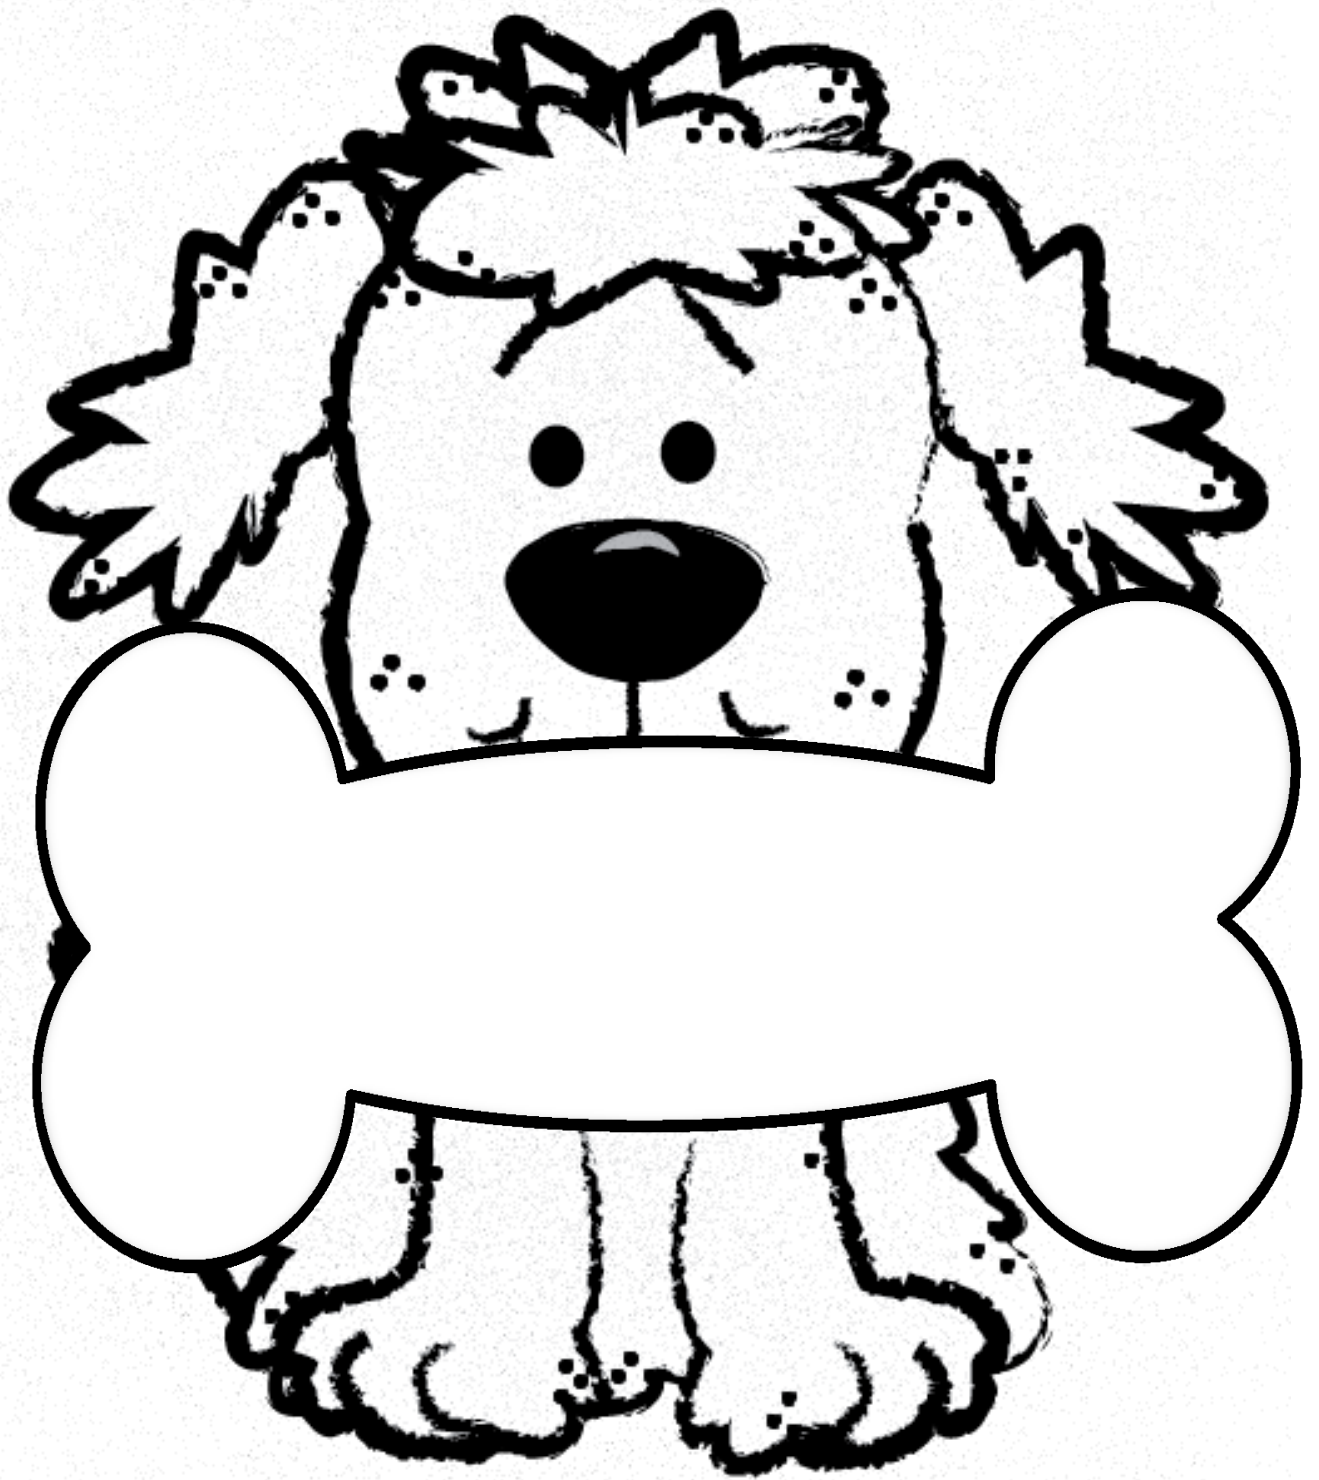

Hang them on a bulletin board entitled "Paws"-itively Great Goals for the New Year.
