Let's Go Fishing!

Name: _____

Money Identification

It's the long weekend and your family is going to Lake Relaxo. You will need to buy a fishing rod and lure.

Look at the price of the rod and **glue** on the lure showing the money you need to buy it. Circle the rod you would want to buy.

Lemonade and Cookie Stand

Name: _____

These friends have a lemonade and cookie stand. It's time to close up shop and share the money they made. Help the friends share everything equally.

Making Money

- Antonio and Omar have made \$1.50. Color Antonio's coins black and Omar's coins white.

How much money does Antonio have? _____

- Grace and Chloe have made \$2.10. Color Grace's coins red and Chloe's coins green.

How much money does Abby have? _____

- Kayla, Ben, Jose, and Destiny have made \$4.40. Color Kayla's coins pink, Ben's coins orange, Jose's coins blue, and Destiny's coins yellow.

How much money does Kayla have? _____
