

AUGUST

August 1

- Describe your perfect day. What would you do? Who would you see?
- August is National Inventor's Month! Imagine that you have just invented a bubble solution that makes incredibly long lasting bubbles. Write an advertisement convincing others to buy it.

August 2

- Think about your favorite summertime activity. Describe it and tell why it is your favorite.
- Imagine you are going to a cookout and can bring anyone you want. Who would be your perfect guest? Why?

August 3

- On August 3, 1492, Christopher Columbus set sail on his journey that led to his discovery of the New World. Write about a time that you tried something for the first time. Explain how you felt.
- Imagine you could compete in any Olympic event. Which event would you enter and why?

August 4

- Would you rather spend the day at your friend's house or have your friend spend the day at your house? Explain.
- Imagine that all the animals in the ocean can talk. Write about a conversation you overhear two animals having.

August 5

- Name three or more reasons why everyone should learn how to swim.
- Describe the perfect summer picnic. Where is it? What foods are in the basket?

August 6

- If you could ride a wave to any place in the world, where would you go? What would you do there?
- Imagine that you could spend a day underwater. Write about your adventures.

August 7

- National Mustard day is celebrated the first Saturday in August. Write about a pretend conversation between a mustard bottle and a ketchup bottle.
- Name one drink that tastes better with ice and one drink that tastes better without ice. Explain why.

August 8

- August is Children's Eye Health and Safety Month. Describe three or more things you can do to take good care of your eyes.
- Explain how your day would be different if you could see only in black and white.
