SKILLS GRID

	Literacy	Math	Science	Sensory	Water & Sand	Fine Motor & Gross Motor	Art	Blocks	Dramatic Play	Games & Puzzles
Literacy Skills										
letter recognition	4									
sound of the letter P	4									
letter formation	5									
letter sounds	5, 6									
letters	6									
names: matching letters	7									
print awareness	7, 17									
spelling names	8, 9									
color words	8									
matching uppercase letters	9									
matching uppercase and lowercase letters	9				61					
storytelling	12							92		
listening	13									
writing letters	14, 15, 16									
writing names	15									
writing letters and words	16, 17									
Math Skills										
counting		25, 26, 27, 28, 29, 30		56, 57		71, 73, 75				
one-to-one correspondence				57		57, 75				
numeral recognition		25, 26, 29			60			89		
numeral matching		26								
number identification		27, 28								
number matching		29								
sequencing numbers					61					
patterning		30, 31								
match by size		32								
sort by color		32, 33		57						
match by color		33, 34		57	63					
sorting		34								118
sorting and counting		35							103	
match by shape		35								
visual discrimination										117, 118, 119, 120
problem solving										118
spatial sense										121
Science Skills										
observation: birds			48							
observation: water pollution			49							
observation: ice					62					
magnets			48, 51							
space			49							
observation: a variety of materials			50							
rain forest			50							
simulating a dinosaur dig					64					
simulating an archaeological dig					66					
simulating space travel									108	
simulating undersea exploration									109	
simulating an animal burrow									110	
dental health			51	56						
using a magnifying glass			52							
mixing colors			52	62						
Fine-Motor and Gross-Motor Skills										
cutting						69, 70			101	
lacing						69, 70				
tearing						70				
play dough						70, 72, 73, 74, 75				
rolling a ball						71				117
tossing						71
